A recreational swimmer is any pool patron using the pool(s) as an individual; lap swimming, water walking, personal exercise routines, etc. Hours for recreational swimming are all hours not assigned to water aerobics. One lane on the west side of the indoor pool may be used by adults only during the assigned water aerobics classes. A second lane can be available, if needed.

Recreational swimmers are to reserve the lane and one additional lane, if needed, by contacting the Lodge Office at 410-266-8677. Reservations are for one hour beginning on the hour to coincide with the changes in water aerobics classes. Water aerobics are in session 50 weeks a year. When water aerobics classes are not in session, open swim is from 6:00 a.m. to 9:00 p.m. Water aerobics classes are cancelled due to inclement weather when Anne Arundel County Public Schools are closed. Delayed opening of schools does not affect the water aerobics schedule. During times of inclement weather, the pools will be open at the discretion of the General Manager.
