

Heritage Harbour Community Association Woodshop Certification

I certify that I have read and understand the Regulations and General Safety Rules for the Woodshop. I further certify that I have sufficient experience in the use of the power tools I have initialed below, or that I have taken a 6-hour course in their safe operation. I will exercise care not to damage any tools or property in the woodshop, but if I do, I will report such damage to the Office. I will clean up the areas I use before leaving the woodshop.

I have experience in the power tools I have initialed:

Table Saw Radial Arm Saw Band Saw Miter Saw Jointer/Planer
 Surface Planer Router Drill Press Lathe Shaper
 Disc/Belt Sander Orbital Sander Bench Grinder Pneumatic System

I will use only hand tools in the Woodshop.

Release of Liability and Indemnification Agreement

In consideration for my use and enjoyment of the Heritage Harbour Community Association, Inc. Woodshop and woodworking equipment, I hereby release from liability and shall indemnify and hold harmless the Heritage Harbour Community Association, Inc. ("the Association"), its Board of Directors, officers, employees and agents, from and against any claims or liability of any nature whatsoever, including negligence, arising out of my use of the Association's Woodshop and equipment and/or my presence upon the Woodshop premises, which include the Association's Woodshop and equipment.

I further agree to follow the direction of any instructor or safety personnel while on the Association's property and to exercise reasonable care to protect myself and others from any injury that may foreseeably arise out of my use of the Association's Woodshop and equipment.

This release and indemnification contains the entire understanding of the parties with regard to release and indemnification.
